O R D E R

On August 19, 1992, Louisville Gas and Electric Company ("LG&E") filed a motion requesting the Commission to convene an informal conference on August 28, 1992 and modify its August 13, 1992 Order by extending for up to two weeks the due date of LG&E's response to the Staff's Electrical Utility Accident Investigation Report and continuing indefinitely the hearing scheduled on September 2, 1992. In support of its motion, LG&E states that an informal conference will result in administrative efficiency by providing an opportunity to stipulate operative facts and narrow the issues to be adjudicated.

Based on the motion and being advised, the Commission finds good cause to grant the relief requested.

IT IS THEREFORE ORDERED that:

1. An informal conference shall be held on August 28, 1992 at 10:00 a.m., Eastern Daylight Time, in the second floor conference room of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

2. The Commission's August 13, 1992 Order be and it hereby is modified to the extent that LG&E's response to the Electrical Utility Accident Investigation Report shall be filed on September 11, 1992 and the hearing scheduled on September 2, 1992 is canceled.

Done at Frankfort, Kentucky, this 26th day of August, 1992.
